

## Communicating safely online

### Socialising safely

Australian Curriculum Alignment	Level 1	Level 2	Level 3
	<p>Communicate safely using simple tools to express ideas and make meaning.</p>	<p>Communicate safely using familiar tools to express ideas with appropriate audiences.</p>	<p>Communicate safely using a range of tools to express increasingly complex ideas, and adjusting to the intended audience.</p>
<p><b>Immersion</b></p> <ul style="list-style-type: none"> <li>Watch the video with your class. Before commencing, you may wish to prompt students to focus by telling them that you will be asking them to recall some of things that the character enjoys doing on the internet.</li> <li>After watching, ask students to share what things the character enjoys doing on the internet. It's ok to prompt students with reminders!</li> <li>When you have collected enough responses to work with, ask students to put their hand up as you read each activity if they also like to do that thing. Keep a tally mark next to each activity.</li> <li>Focus in on the activities that involve talking to, or sharing with, other people on the internet. Notice how many in the class also use the internet for this purpose.</li> </ul>	<p><b>Activity</b></p> <p><b>Whole Class (F – 2):</b></p> <ul style="list-style-type: none"> <li>Display the PMI chart and explain that you would like to make a list of some of the things that can happen when you use the internet for being social. You might want to give some prompts from the video, like 'it's a plus that you could quickly share your artwork with lots of your friends at once' and 'it's a minus that you can't smell the biscuits being cooked!'.</li> </ul> <p><b>Small group focus (3 – 4):</b></p> <ul style="list-style-type: none"> <li>Place students in small groups and give each a copy of the PMI. Introduce task the same as in F-2 focus.</li> </ul>	<p><b>Share and discuss</b></p> <ul style="list-style-type: none"> <li>As a whole class, review what has been recorded on the PMI charts. Think about how having the opportunity to do all of these things can be really fun, as the character in the video explained, however using the internet safely does mean remembering a few rules. Recall and record these.</li> </ul> <div style="background-color: #6a3d9a; color: white; padding: 10px; border-radius: 10px;"> <p><b>Resources:</b></p> <ul style="list-style-type: none"> <li>Common Sense Media video: <a href="#">My online neighbourhood</a></li> <li>PMI chart</li> </ul> </div>
